

Landscape Checklist

Use this form to record your **current** station configurations (irrigation method, plant type, slope, soil, sun exposure, etc.) At the bottom, also record the current watering schedule for each station. For example, Station #1 may now water twice a week (2 sessions) for one hour each, for a total watering time of 2 hours per week. This information will help you configure your stations on our website, and also allow you to compare your current watering schedule and usage with your new ET Water schedule.

Mark the applicable row using the checkboxes at right, and use a new sheet as needed.

Station Number												
<input type="checkbox"/>	1	2	3	4	5	6	7	8	9	10	11	12
<input type="checkbox"/>	13	14	15	16	17	18	19	20	21	22	23	24
<input type="checkbox"/>	25	26	27	28	29	30	31	32	33	34	35	36
<input type="checkbox"/>	37	38	39	40	41	42	43	44	45	46	47	48

Irrigation Method												
Spray Head												
Rotor												
Impact												
Stream												
Drip												
Bubbler												
Precipitation: inches or gallons per hour												
Distribution Uniformity (Percent)												
Root Depth (Inches)												
Plant Type* (Choose as many as apply)												
Cool Season Grass												
Warm Season Grass												
Flowers/Bedding Plants												
Shrubs (Native)												
Shrubs (Non-native)												
Groundcover/Vines												
Trees (Native)												
Trees (Non-native)												
Ornamental Grasses												
Vegetables/Herbs												
Cactus/Succulents												
Slope												
Flat/Negligible (0-5%)												
Gentle (6-8%)												
Medium (9 to 12%)												
Steep (13-20%)												
Very Steep (over 20%)												
Soil												
Sandy (porous)												
Sandy Loam												
Loam (medium)												
Loamy Clay												
Clay (dense)												
Sun Exposure												
Sunny all day												
Shady part of the day												
Shady all day												
Current Watering Schedule												
Sessions per week												
Minutes per session												
Total minutes per week												
New schedule: approx. minutes per week												

* **Plant types:** Please note the approximate age of your plants and whether they are deciduous or evergreen. Also, for plants over one year old, our system will assume they have the normal mature root depth for the type of plant indicated. If you believe your plants have not achieved their normal root depth, you may change this value using the Advanced Setup page or Edit Station feature on the website.
